## Sunday Morning Classes

### ADULT BIBLE CLASSES

**That the World May Know** - Teacher and historian Ray Vander Laan brings together history, culture, and geography to illuminate the Gospels in this video bible study. The insights you gain will transform your reading of the Gospels and inspire a deeper faith commitment. We will pick up with the resurrected Jesus and then focus on the new church in the next sections. Contact Jerry Zerbe @690-9959 for more information. Room 107

**Genesis: Rooted In Relationship** – Who am I?" People seem to have lost their sense of belonging. They ask, "Who am I? What am I worth? Where am I going?" We have lost sight of our real roots. Because of sin, people have forgotten who they are in relationship to God, and to one another. This study focuses on: God's restoration through Jesus Christ of the broken relationship that existed between Him and us; our rootedness in Him, which is strengthened as the Holy Spirit works through God's Word; God's love for us in Christ, which heals broken relationships and provides power to strengthen relationships between us and others. Dennis Bragdon, Facilitator, Room 106
